Via Dodecaneso 35 (Valle Puggia): Access by badge
ONLY for this building, is requested:: enabling of University badge n. _____ (see IMPORTANT*)
New departmental badge, you will be contacted to get it from Dibris offices

DECLARES

- To be aware of the University provisions for accessing the buildings: <https://unige.it>
- To have read the Emergency Plan of the building: <https://intranet.unige.it/sicurezza/elenco-strutture-1>
- To request access outside opening hours for the following reason:

- To access the following rooms

upon request and under the supervision of the Head of Teaching and Research in the Laboratory (RADRL)

Prof. _____ (ask the name to the tutor or see the list)

- To be aware that, in case of emergency, in addition to the public utility numbers, it is possible to contact the RADRL or the Head of Department Prof. S. Martinoia on his mobile +393481308491.

UNDERTAKES TO COMPLY WITH THE RULES AND INTERNAL REGULATIONS CONTAINED IN THE ABOVE DOCUMENTS AND TO RETURN KEYS OR BADGE, AT THE END OF THIS PERIOD, TO THE PERSON FROM WHICH HE /SHE RECEIVED

Genova, _____ The Applicant _____

*IMPORTANT (ONLY for Valle Puggia): to activate/renew the University Badge, we need the complete 11-digit code number: so please pass the badge into a reader (with the blue light from the entrances) and in the email indicate day, hour and minutes. Please note that if it is not enabled, the red light comes on with a long beep for 5", but the system memorizes the code! When the badge is activated, it lights up green and the lock opens.

THIS FORM, DULY COMPLETED, MUST BE SENT BY E-MAIL TO YOUR TUTOR OR TO THE HEAD OF LABORATORY (RADRL) WHO WILL RETURN IT FOR ACTIVATION TO assistenza@dibris.unige.it WITH A COPY TO THE RADRL AND TO DIBRIS DIRECTOR

Heads of the Teaching and Research Activities in DIBRIS Laboratories (november 24th 2020)
